

29/08/21

Good evening all you fantastic MI students!!

I trust you have all had a peaceful and relaxing weekend and are all safe in your wee whaanau bubbles! I also hope you are managing to have some good whanaau time and you are demonstrating all our MI values and keys to success whilst stuck at home! A short email, beats my long assembly talk right, haha, to check in with you all and wish you a good week ahead! It's been cool to make contact with some of you as I have come in and out of various class or whaanau hangouts so thanks for the laughs and chats!

Tomorrow is the start of another week of online learning so a massive thank you to those of you who have engaged in this and are getting some good stuff going on. Also, make sure you enjoy the chats or texts with your teachers if they are doing this as well and make the most of the experience. Different to being at school, and yup we all miss that I am sure, but let's be positive and get the most out of a situation we are not that enamored by! Make sure you also check out the latest newsletter Mr. Bartlett sent you on Friday... you'll get a chance to go over this with your form class in a hangout tomorrow as well!

Remember if you need a chat about anything contact your form teacher or whaanau leader and if there are any issues you need some further help or support with they will be able to direct you elsewhere if they cannot sort something immediately. Likewise, you can also email me or Mr Bartlett (thomasb@manurewaint.school.nz). AND a reminder it is SKODEL check in tomorrow morning!

See you all when we can but in the meantime, keep smiling and be positive, help out around the house and stay safe and sensible.

Mr Taylor
