Kia ora, Talofa Lava, Malo e lelei, Kia Orana, Bonjour and Welcome !

Welcome back to a new term, whānau! Term Two was full on for everyone with all students working hard for the Spelling Bee and Speeches. We were also blessed to have experienced our Marae Noho (Marae Stay). It was a great opportunity for the class to bond. We were also busy training and participating in various types of sports and representing M.I in the best way we can. We are not about to slow down. I am always extremely grateful for our children. I particularly appreciate parents or caregivers for their flexibility and support.

Term Three will involve more exhilarating learning experiences for all that are involved at M.I. I ask again for your help in encouraging your child to stay on top of both academic and extracurricular obligations. Our efforts in working together will only benefit the children to become strong leaders, role models and academically capable learners.

In the first week of school, we are going to be busy with Book Week. The school has planned an amazing programme that involves games, activities, dress ups and extra lessons to get all the students engaged in the importance of reading a book.

Room 23 will be taking on a big task for the first two weeks of the Term. Module Six is all about creating a successful Olympics bid. This requires us to prepare the best bid for the country we have been given, Croatia! This is to teach our kids about the world and help them understand all the different challenges when planning an event like the Olympics.

Module Seven will have an overarching theme of Communicator, which will appear across our learning from Weeks Three to Ten! This is for our students to develop the ability to communicate, investigate, share, and collaborate.

I urge that you continue to encourage them so that we may work together to produce the best and most capable learners. Together we should inspire them to go to bed early and be at school every day, on time with perfect uniform! Please do not hesitate to contact me or come into school to talk about your child anytime.

Nga mihi nui

REMINDERS

We aim for 100% attendance , rain or shine, Monday to Friday! If your child is not coming to school, please make sure to contact me in the morning preferably before 8:30am.

School starts at 8:30am. Students who are late twice in a week and who do not have a valid reason will be placed on **Community Service** . Please encourage your child to go to bed at a decent hour each night so they wake up early and get to school on time. Students should aim to be at school by 8:20am.

Your child needs to be in 100% correct school uniform, this includes their whānau band. If there are any problems and your child does not have the correct uniform, please provide them with a letter they can hand in to Mr Peilua to receive a uniform pass.
