#### Tēnā koe, Talofa Lava, Mālō e lelei and greetings!

I hope this finds you well and that my spectacular students have been helpful over the term break. Term Two was full of special events such as our Marae Stay, our assembly and more recently, a number of sporting achievements. A special mention of the zone teams and also Sports Camp in Matamata. Congratulations to each and every student who has stepped up, trialled, made a squad or joined a Period Six. Keep it up!

Term Two also had some academic events like our Chess Team, Spelling Bee and also the Speech Competition. Well done to Gary and Charlotte who both represented our class with pride.

We start this term with Module Six called *MI Cultural Focus Breakout*. It will have our class creating an Olympic bid for Germany, our adopted nation. This module will involve each of our class contributing and working for a common goal. Module Seven will focus on the Graduate Profile aspect of Communicator. This is all about building our students ability to communicate, investigate, share and collaborate.

Term Three can get very wet and cold and its important that everyone stays warm. This is the last term that students can opt to wear plain black pants and also a long sleeved black top under their normal uniform. In addition a black beanie and scarf is also permitted outside. Please consider this so that our kids are warmer and less likely to fall victim to the winter illnesses that have wreaked havoc on our class' health recently.

Lastly, please support our kids with organising themselves by getting to school on time, in full school uniform and by attending each and everyday. We are working on gaining class of the week by being the best that we can be. Our class is a strong member of the Rimu Whaanau and it is integral that we 'run it straight'. This is a great time for us to return to the goals set in Term One.

Ngā mihi

Rita Brooking
