Tēnā koe, Talofa Lava, Mālō e lelei and greetings!

Wow! We're already starting Term Three! Congratulations to whānau and students on a successful second term. We began the term with two weeks of work, during which Room 71 focussed on acrylic fluid work by Alfonso Santiago. The students thoroughly enjoyed some messy play and expressing their creativity on a canvas.

Many students have also taken advantage of the various opportunities available here at M.I. Many joining various sports teams, activities, and clubs during Period Six. Term Two has been extremely busy, and it has been wonderful to see the students participate in various aspects of MI life such as Boys Night Out, Girls Night In, Speeches, Spelling Bee, Marae Stay and Cross Country.

Leading into Term Three, we will begin with our Olympic Bid and Book Week during our non-timetable weeks. This will link in with our Module Seven focus on Communicator. MI Cultural Focus Breakout is all about the Olympics! Classes will have one country chosen for them and then they will prepare an Olympic bid for that country. The purpose of this module is to teach our kids about the world and help them understand all the different challenges when planning an event like the Olympics. Our Country is the United Arab Emirates.

As we begin another term with more learning opportunities, I am confident that our students will maintain their 'can do' attitude as they work towards their term goals! We have officially entered the second half of the year, and I want to emphasise that we do not have time to waste! Let's keep going and give our children the education they deserve.
