#### Term Three Highlights and What's Coming Up!

Term Three has been truly exceptional! We began with an impressive Olympic Bid project, where the Room Four students dazzled everyone with a comprehensive and engaging presentation for Brazil. They explored Brazil's rich culture and famous landmarks. As their teacher, I couldn't be prouder of the hard work and effort they put into this project. A big thank you to all the whānau who visited our exhibition in the gym. It was wonderful to share our achievements with you!

Our Term Three module subjects have been an engaging and enriching experience for Room Four students. In Te Ao Māori, the class learned various phrases, intriguing facts, and participated in interactive games. In Art, the students showcased their creativity by constructing fans inspired by diverse cultural backgrounds. Looking ahead to Term Four, we are all excited to dive into new module topics such as Sustainable Enterprise and Digi - Comp.

As we approach the end of the year, we have a host of exciting events lined up! Mark your calendars for the Night Markets on Friday, November 15th. Any assistance you can provide would greatly benefit our class and contribute to the success of the event. Your support is greatly appreciated! All proceeds from the Night Markets will go towards funding our Year Eight Graduation as well as our Whānau Fun Day.

Additionally, Cultural Performance Night will take place on November 27th, followed by our last Student Involved Conferences on Thursday, December 12th. The school year will conclude with our Prize Giving on December 13th. What a fantastic way to celebrate an incredible year!

To my Year Eights, it has been a privilege and a memorable journey having you in my class for the past two years. Thank you for your hard work, dedication, and the wonderful memories we've created together.

To my Year Sevens—get ready for another busy and exciting year here at M.I.I I can't wait to see each of you excel and thrive as our new Year Eights.

Mr Boston
