Tēnā koe, Talofa Lava, Mālō e lelei, and Greetings!

I hope this newsletter finds you well. It was a busy and exciting Term Three in Room 34. I'm proud of how our students have grown and accomplished so much together. Here is a recap of some of the highlights!

Olympic Bid: Greece – Our class took part in the school's Olympic bid representing the beautiful country of Greece. We took it back old school by introducing chariot racing as our new sport, embracing Greece's rich heritage. Our mascot, Delphinus, named after a joyful and playful goddess, was a highlight, symbolising the link between ancient history and the modern Olympic Games. The students were deeply engaged and showcased their creativity and teamwork.

Mathex Whanau Competition – A big congratulations to Wade, Steven, Micah, and Hasbi, who represented our class and Kauri Whānau in the Mathex Whānau competition. Their hard work and dedication paid off, and they did a fantastic job representing us all. We couldn't be prouder!

SICs – Student-Parent-Teacher Conferences – Thank you to all the parents and caregivers who attended the SICs. It was wonderful to share your child's learning journey and discuss their achievements and next steps. Your support is invaluable in helping them succeed.

Rewa's Got Talent – Our school Rewa's Got Talent was a smashing success! The teachers took it up a notch, showcasing their dance talents, and the students were nothing short of amazing with their performances. It was a true celebration of the diverse talents we have in our school community.

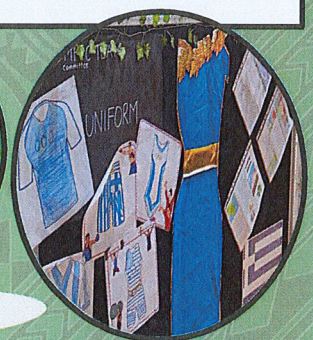

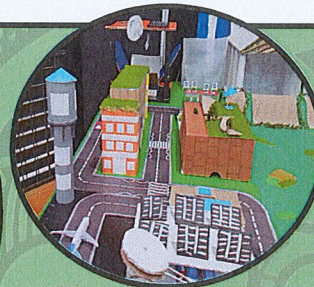

Language Weeks – We have also celebrated Cook Islands, Tongan, and Māori Language Weeks. The teachers enthusiastically embraced the culture, with some shaking their hips to the sounds of the Cook Islands, and our warriors on staff came out to baffle during Tongan Language Week. Māori Language Week was a heartwarming time where staff and students alike shared their love for the language, culture, and dance. These celebrations were a vibrant reminder of the rich cultural diversity we enjoy in our school.

Upcoming in Term 4: Module 8, 9 & 10 – As we look forward to Term 4, I'm excited to introduce our new topics. We'll be starting with Module 8: Compassionate, where students will explore empathy and understanding, learning how to consider the perspectives and feelings of others. Following that, we'll dive into Modules 9 & 10: MI Experience and Achievement, where students will engage in hands-on learning experiences that challenge them to apply their knowledge in practical and innovative ways. These modules will be a fantastic way to wrap up the year.

Thank you for your continued support and involvement in your child's education.

Ngā mihi nui,
 Mrs Mohi

REMINDERS

We aim for 100% attendance, rain or shine, Monday to Friday! If your child is not coming to school, please make sure to contact me in the morning preferably before 8:30am.

School starts at 8:30am. Students who are late twice in a week and who do not have a valid reason will be placed on **Community Service**. Please encourage your child to go to bed at a decent hour each night so they wake up early and get to school on time. Students should aim to be at school by 8:20am.

Your child needs to be in 100% correct school uniform, this includes their whānau band. If there are any problems and your child does not have the correct uniform, please provide them with a letter they can hand in to Mr Peilua to receive a uniform pass.
