14th October 2024

Hello, Kia ora, Talofa lava, Mālō e lelei, Ni sa bula vinaka, Namaste, Fakalofa lahi atu, Ni hao, Kia Orana, and warmest greetings to you all!

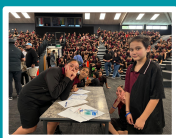

It's the final countdown, I cannot believe how fast this year has gone. However, it's not quite finished yet! Room 69 has had an incredible Term Three with so much happening. Who could forget our AMAZING Mathex team of Peyson, Greyson, Noah, Raisha, and Krystal who placed second overall in the M.I Mathex School Competition. What was most pleasing to see was how much the class bonded over their success along with winning class of the week, and coming up runners up in the Olympic bid with our country, Cuba. Term Three also saw Kayla go off to Sports Camp and come third, as well as Krystal representing us down at AIMS Games for Hip Hop with the 728 Dance Crew.

During Term Three, our tamariki had the opportunity to do Art and Digi-Comp. Digi-Comp was a highlight for Room 69, as they loved making a controller and learning to code. In Art they have been working on patterns and it's safe to say we have some amazing artists in our class. We also looked at Money Mojo for Monday Magic, which the kids have brought into real life situations using Banqer, earning and paying for things in class. If you ask your child they will most likely tell you they are employed!

Term Four, what can I say? It's bittersweet. I have been honoured to teach your kids over the past year or two, and it's important we end this term on a high. Starting with our module subjects of Performing Arts and Sustainable Design! We also have lots to look forward to like Whānau Fun Day, Graduation (for Year 8s), Night Markets, SICs and Prizegiving.

Lastly, I want to thank you for all your continued support this year, Your constant communication has made my life easier. It's been an absolute pleasure to have your child in Room 69. Please continue your great work in ensuring that your child is in correct uniform, on time (NO LATES!) and at school for that 100% attendance to end the year well.

Regards,
D. Cope
