Fakaalofa atu ki a mutolu and welcome back to Term Four!! I hope you have had an awesome break, are well rested and ready to smash out Term Four. I would like to take this opportunity to thank our fanau and caregivers for the ongoing support, you have continued to provide for Room 67 over the last three terms. We are definitely excited to see what the rest of the year has in store.

Term Three was jam packed. We kicked off with our Olympic games module, competing against the rest of the school to see who will host the games. We learned so much about China and their rich culture. Unfortunately, we didn't come away with the gold but our class really enjoyed learning more about another country during these two weeks. Mini Olympic games brought a sense of challenge and competition which allowed our students to compete at a high level against other classrooms.

Mathex was a big event, and it definitely pushed Room 67 out of their comfort zone. A massive shout-out to Tasi, Antonio, Braeleigh, and Chalin for giving their all and stepping up for our class. I couldn't be more proud of their effort and dedication!

One of our highlights for Term Three has been the way we have celebrated the different cultural language weeks, through traditional attire and performances for Cook Island, Tongan and Māori. This clearly shows the sense of pride we have in everything that we do.

Our assembly performance was a big success, and I couldn't be more proud of my class! They put in a lot of effort, and it really showed. Their energy and teamwork made the whole presentation stand out from the rest, and it was a moment we'll all remember.

Five of our own represented the school in a nationwide Hip Hop competition, which was a huge highlight. I was so proud of them, and I know you would have been too. We didn't win, but the experience and memories they gained were what truly mattered.

There is no one stopping us this term as we continue to stay on top. Term Four is a busy term for us and there are a lot of things to look forward to. MI athletics, MI Night Markets in Week Five and MI Cultural Performance night. We also have our last SIC's for the year and Year 8 Graduation. I encourage everyone to make the most of our last term as a class and to enjoy these experiences. If you have any questions, you know what to do.

REMINDERS

Di Tanaki:

We aim for 100% attendance, rain or shine, Monday to Friday! If your child is not coming to school, please make sure to contact me in the morning preferably before 8:30am.

School starts at 8:30am. Students who are late twice in a week and who do not have a valid reason will be placed on **Community Service**. Please encourage your child to go to bed at a decent hour each night so they wake up early and get to school on time. Students should aim to be at school by 8:20am.

Your child needs to be in 100% correct school uniform, this includes their whānau band. If there are any problems and your child does not have the correct uniform, please provide them with a letter they can hand in to Mr Peilua to receive a uniform pass.
